

OVERVIEW

The Overleaf platform is an online collaboration tool that makes the process of writing, editing and publishing scientific documents much quicker and easier. Created with the goal of making science and research faster, more open and more accessible, Overleaf brings the whole scientific documentation process into one place in the cloud – from idea to writing to review to publication.

OVERLEAF HAS SPECIALIZED PROGRAMS FOR INSTITUTIONS, SUCH AS:

OVERLEAF COMMONS

Subscription service for institutions to provide Overleaf Pro accounts to students, faculty and staff.

OVERLEAF LINK

Provides institutions with custom template and repository submission solutions.

TEACHERS PORTAL

Allows faculty to distribute assignments, track edits made by students, and quickly collect for marking.
