

# Institutional **solutions**

Collaborative **scientific writing**, editing and publishing.

**Overleaf makes** the process of **writing, editing** and **publishing** complex content **quick & easy** — making science and research faster, more open and more accessible.

## Overleaf has a range of specialized institutional programs

### Overleaf Commons

Subscription service for institutions to provide Overleaf Pro accounts to students, faculty and staff.

### Overleaf Link

Provides institutions with custom template and repository submission solutions.

### Teaching Portal

Allows faculty to distribute assignments, track edits made by students, and quickly collect for marking.

**Get in touch for more information  
and a demonstration of our services**
